

WORLD-CLASS IN WELLINGTON

The Wellington Convention and Exhibition Centre (WCEC) is the capital's first premium conference and exhibition space, due to be completed in 2022.

Inspired by Wellington's dramatic landscape and environment, the WCEC is thoughtfully designed with the delegate experience in mind. It balances flexibility and functionality with the latest technology, stunning food and beverages that showcase the region, cutting-edge contemporary design, and panoramic views over the city and Wellington Harbour. This innovative new

facility will provide 10,000 square metres of multi-purpose conference and exhibition space over two floors, which can be tailored to single or multiple events. Whether you're planning a multi-day conference, large exhibition, black tie gala dinner, or a series of business events, WCEC provides the perfect setting.
